Inspector-General of Prisons in Mysore,
BANGALORE.

To

The Secretary to Government of
His Highness the Maharaja of Mysore,
Law Department, Bangalore.

Sir,

In forwarding herewith a copy of No.3342 dated the 24th October 1940 from the Superintendent, Mysore Jail about the appointment of a qualified Compounder for the hospital in the Jail, I have the honour to state that ever since the Mysore Jail was converted into a regular Jail, the prison population of the Jail has been steadily on the increase, the daily average number ranging between 250 and 300. With this increase in the prison population, the average number of sick prisoners has also increas requiring the attention and services of a Compounder. The staff attached to the Jail Hospital consists only of a Medical Officer and a Sub Assistant Surgeon. The Medical Officer attends the Jail only for a few hours and the Sub Assistant Surgeon who is th whole time officer is required to be always in attendance on the sick prisoners, examining them and giving them timely medical aid. Apart from this, the Sub Assistant Surgeon has to attend to the correspondance and the maintenance of accounts and registers pertaining to the Hospital. To assist him in this respect and a to attend to the preparation of Lotions and mixtures and [redacted] to dressings, it is found very necessary that there should be a qualified Compounder for the Hospital. In these circumstances, I request that the post of a Compounder on a pay of Rs.20-2-30 per month may kindly be ordered to be sanctioned for the Jail. The additional cost on this account will be met during the current year from out of the savings anticipated under the provision

provision made to Jails under Medical Establishment of 19 Jails
Jails and Lock-ups.

I have the honour to be,
Sir,
Your most obedient servar

29/11

Inspector-General of Priso

Letter No.16 dated 24th October 1940 from the Medical Officer, Jail Hospital, Mysore, to the Inspector General of Prisons through the Superintendent, Mysore Jail, Mysore.

I have the honour to state that during your rent inspection of the Mysore Jail, it was brought to you kind notice the necessity of appointing a fully qualified Compounder and you were pleased to instruct me to submit the proposal regarding the same.

Eversince the conversion of this Jailiinto a District Jail the number of convicts has increased, the average number ranging between 259 to 300. And the average number of sick (out patient) ranges between 30 and 40 and that of in-patients between 6 to 8. To attend on patients in case of emergencies, to prepare lotions, mixtures and to do dressings etc., a trained and qualified Compounder is absolutely necessary. I feel I would be taking a very great risk of allowing an untrained Warder to handle medicines, poisons and other dangerous drugs.

In view of the above facts I request ~~you~~ that you will be kind enough to sanction the post of a qualified Compounder for the Jail Hospital, Mysore, on a pay of Rs.20-2-30 per month.

No.3342/24-10-40

Submitted to the Inspector-General of Prisons in Mysore, Bangalore, for favour of sanction.
